

## ONGOING WISHLIST

Saving and caring for thousands of cats and dogs means HPA! goes through a lot of supplies. This wishlist features items that are very much needed on a regular basis. Monetary and in-kind donations help offset our expenses, which means more funds can be focused on imperative medical and life-saving endeavors. In addition to our adoption facility wishlist below, donations of women's clothing and shoes, jewelry, accessories, and decor can be donated to our thrift store at 2532 Nottingham Street in Rice Village.
