

# HOUSTON PETS ALIVE!

2019 ANNUAL REPORT

# FROM THE EXECUTIVE DIRECTOR

---

This year has been a milestone for Houston Pets Alive!

In 2019, together, we have truly worked to fulfill our mission. We have saved and found forever families for thousands of animals, as well as kept hundreds of thousands of unwanted animals off our streets... and we did all of this while moving into a wonderful new facility and changing leadership.

Phew!

So, take a moment to read through HPA!'s 2019 Annual Report, pat yourself on the back for all your hard work, and then spend some time reflecting on all that we've accomplished!

There isn't anything we can't do when we work together.

Looking forward to the future!
