

LIST OF GREATER HOUSTON AREA **DOG RESCUE ORGANIZATIONS**

(Some of these rescues help cats as well)

Updated 1-19-2023

DISCLAIMERS / TIPS:

- These rescues get contacted DOZENS of times per day, so it may take time for a response *IF* they're able to help.
- Monetary donations oftentimes allow them to help you. A foster home would be needed as well if their current fosters don't have space open.
- If you can foster and just need rescue backing to pay for medical expenses, spay/neuter, vaccines, flea meds, pet food, etc. along with help with the adoption process, this is the FIRST thing you should say to the rescue. ("I can foster, I need rescue backing.")
- If you CAN'T foster, you'll need to ask friends, relatives, acquaintances, neighbors, coworkers, spouse's acquaintances, kid's acquaintances, people you volunteer with, people at your place of worship, etc. if they can foster for a rescue. There is always a shortage of foster homes, which is one of the main obstacles that rescues face.
