

## ADOPT HPA! FOR A DAY

Have you ever wanted to adopt every animal at the shelter? Now you can! For \$200, you can sponsor a full day of care at Houston Pets Alive!

### Make an Impact, One Day at a Time

Every day at Houston Pets Alive! is a chance to save lives, and now, you can **make that day yours.**

Through our new **Adopt HPA! for a Day** program, individuals, families, and businesses can “adopt” *all* of the animals in our care (about 250 dogs and cats!) for one or more days.

Your **\$200 "adoption fee"** covers the cost of food, shelter, and medical care for every animal in our program for a full day. Choose a day that’s special to you — your birthday, anniversary, or a day of remembrance — or sponsor multiple days to multiply your impact.

When you adopt a day, you’ll receive a **personalized digital certificate**, with the option to be featured on our **Sponsor Hall of Fame** and receive a **social media shoutout** to celebrate your generosity.

**Special opportunity: The next five sponsored days will be matched by one of our board members, doubling your lifesaving impact!**
