

Celebrating 12 Years of Saving Lives

On March 30th, Houston Pets Alive! turns 12, and we're celebrating the thousands of lives saved because of supporters like you. To mark this milestone, all new recurring gifts are being matched dollar for dollar, up to \$5,000, DOUBLING the impact for animals who need us most.

Monthly giving is one of the most powerful ways to help. It provides reliable, consistent funding we can count on to say yes to urgent rescues in the moment, expand our programs, and plan for even greater impact in the months ahead. The best part is, **even a small monthly gift adds up** to lifesaving care over time, making it an easy, affordable way to create lasting change for animals in need.

Become a monthly **Paw Partner** today and turn a small commitment into a steady, lifesaving impact that's DOUBLED day one.

Have your gift **MATCHED** and go **TWICE** as far!

ADOPT-A-PALOOZA: RODEO RECAP

Rodeo Recap: Adopt-A-Palooza

What a day! Over 65 families joined us for our Rodeo-themed Adopt-A-Palooza, and by the end of the event, **18 lucky animals had found their forever homes!**

We're continually amazed by the support and enthusiasm our community brings to every multi-shelter adoption event. These gatherings are a powerful reminder of what we can achieve when we come together to save lives.

Even more inspiring, about a third of attendees discovered our event through friends and family. Your conversations, social shares, and personal recommendations make a real difference—so keep spreading the word and inviting loved ones to join us at future events!

SUCCESS STORY SPOTLIGHT

Chevy Drives Home, Happily Ever After

Chevy, a gentle and loving adult dog, came to us through one of our multi-shelter adoption events, quietly waiting for someone to see just how special she is. Event after event, she was overlooked, watching other dogs head home while she kept hoping her turn would come.

That moment finally arrived. Chevy found her perfect match with a wonderful family who not only fell in love with her, but had already opened their home to another Houston Pets Alive! alum, Mitch. Now, Chevy has the life she's been waiting for, complete with a built-in brother and a home full of love. Sometimes the wait just means the next chapter is that much sweeter.
